Thanks from Bethel College graduates: *(BCMC offers scholarships to members attending Mennonite-related colleges.)*

Megan Leary: I don't remember a time when BCMC was not a part of my life. Growing up with the church congregation as an extended family has influenced me as a person as well as my decisions. I appreciate all of the support and encouragement from the church throughout my schooling. I will graduate from Bethel College with a major in Mathematical Sciences and minors in Communication Arts and Computer Science. Next year I will be doing Mennonite Voluntary Service in Tucson, AZ, working for the Primavera Foundation as a Garden Coordinator. Thanks to everybody for their support so far in my life!

Cristopher Nelson: I am very thankful for the church's support over the last few years here at Bethel. It has been really nice to know that the BCMC community is always there to help support and encourage me, especially through times of hardship. I am not entirely sure what I will be doing after I graduate. For now I will be living in the North Newton area working whatever job I can find. I have recently thought about maybe pursuing something along the lines of social work or teaching science in high school. Hopefully I have an epiphany in the next year or so.

Rebecca Trumble: Thank you all so much for your support in the last four years. Being a part of this congregation has been incredibly important to me and has played a huge role in my faith. After graduation I will be getting married to Aaron Tschetter, another Bethel student. In August I will begin my new job as a special education teacher with the Sedgwick County Special Education Cooperative. God has provided me with a wonderful church to be a part of and for that, I couldn't be thankful enough.

Is there a graduation in your family's near future? If so, please contact the church office so we can share this news with the congregation and celebrate with you!

Next Sunday, May 11, 10:30 a.m., children's Sunday school teachers, children and families are invited to a Sunday school teacher appreciation reception in Fellowship Hall.
