

## Prayer Requests

**Mennonite Mission Network:** For the past four decades, Janie and Neal Blough of MMN have planted Anabaptist seeds through their teaching and lecturing from their base at the Paris Mennonite Center in France. Pray for good fruit to continue to grow from their ministry in Europe and throughout the French-speaking world.

**Western District Conference:** Pray for credentialed leaders in WDC attending Healthy Boundaries training next weekend in Dallas, TX.

**This congregation:** Please pray for students in the catechism class as they reflect on their faith journeys and consider the possibility of baptism.

To request prayer or a visit, or if a family member is hospitalized, please contact the church office or a pastor so that visits and prayer support can be offered. Names of people receiving medical care are printed in the BCMC bulletin only by permission of the patient or a guardian/family-member. This is part of the caring network at BCMC, which includes support among members of Sunday school classes and small groups, as well as the Prayer Network, Visitation Team, and Caring Fund sponsored by Deacon Commission.

**Bethel College Mennonite Church welcomes into fellowship and membership all persons who confess faith in Jesus Christ, without regard to their race, ethnic background, gender, age, sexual orientation, education, ability, and other factors which give rise to discrimination and marginalization.**

**A special word of thanks to the BCMC community** for your support of music at Bethel College. You graciously allow us to use your sanctuary, you engage our student musicians, and you come to our concerts. Thanks to all of you and a special thanks to Monica who schedules these events and to Mike who keeps the church so wonderfully clean. Your welcoming mission is clear, present and understood in the broader community. ~ *William Eash*

**We usually are told to manage and budget our money**, but have you ever asked yourself about the health of your relationship with money? A new book in the BCMC library, *Your New Money Mindset: Create a Healthy Relationship with Money*, offers an encouraging, countercultural, practical approach to our financial resources that starts with a change of heart. Whether you're a young family, single, middle-aged or in retirement, you'll be challenged to break the cycle of our consumer-driven society and instead learn how to make financial decisions based on contentment and generosity. This book was a gift from Everence. Check it out! Elizabeth Raid, Everence Advocate.
