

CREATION CARE SUNDAY  
GATHERING

*Living in a way that honors, rather than threatens the planet, is  
living out what it means to be made in the image of God.*  
- Archbishop Rowan Williams

**All: the light of the world, our hope and our rescue.**

**Leader:** We light a candle to the Holy Spirit

**All: who sets our faith on fire and gives us courage to follow the truth.**

**The Kansas Senate needs our encouragement to allow access to health care for 150,000 Kansans.** Medicaid Expansion now rests in the hands of the Kansas Senate. Not only would this help provide medical care for these Kansans but it would also increase access to care for mental health and substance abuse treatment. Copies of a recent op-ed written by the Executive Director for the Association of Community Mental Health Centers for Kansas, Kyle Kessler, outlining the importance of Medicaid Expansion on mental health in Kansas are available in the Gathering Place. The Witness Commission urges BCMC members to write our Kansas legislators, encouraging the passage of Medicaid Expansion for mental health and include a copy of the op-ed and/or write letters to the editor of the *Newton Now* and the *Newton Kansan* showing support for expansion with an emphasis on mental health. A majority of Kansans favor Medicaid Expansion and Governor Kelly has indicated she will sign an approved bill. Please consider contacting our legislators and advocate for the House bill to come to the Senate floor for debate and a vote. Contact information is available in the Gathering Place.
