**Connor Born is our MMN (Mennonite Missions Network) service volunteer this year.** He sent us this update.

The time I've spent so far in Alamosa has flown by, likely because I've been so busy. At the same time, my quick integration into the community should also not be discounted. Work at the restoration project is diverse, and I've done everything from licking envelopes to wading waste deep in a river. Because the organization is so small, any work I take on feels crucial towards its maintenance, especially given the enthusiasm and think-big attitude of the director, Emma Reesor. In my free time the rest of my housemates and I have been taking advantage of the weather while it's nice, going on hikes nearly every weekend. We also try and make it to community events, either through volunteering our time or just attending. I've observed that the Greater-Alamosa community, especially those in water related fields, has a sense of closeness born from needing to solve issues with limited resources. Experiencing this is very compelling towards my goals and ambitions as a volunteer. —Connor

**You are invited to join area faith leaders** to organize the performance of a powerful play by Alison Brookins entitled *We Own This Now*. The play is about the Doctrine of Discovery and looks at love of land, loss of land and what it means to "own" something. The organizational meeting will be Mon., Oct. 28, 12 noon until 1:30 pm at Mennonite Church of the Servant, 2401 N. Woodland in Wichita. The week of April 19-25, 2020, has been reserved for Kansas showings. Besides Wichita, performances are planned for Manhattan, Topeka or Lawrence and Kansas City. The play will benefit the Kanza Heritage Society. *We Own This Now* provides a starting point for further conversation: What does it mean to "own" something? What is the relationship between "owning" and "taking" and what is the relationship between "ownership" and (taking) responsibility?

### Prayer Requests

**Mennonite Mission Network:** MMN is grateful to Eric and Kelly Frey Martin who have worked as Colombia Mennonite Church youth leaders for nearly three years. Pray for a smooth transition back to the United States for Eric and Kelly, and confidence for the youth leaders as they take on more responsibilities.

**Western District Conference:** Pray for participants and leaders from WDC and beyond, attending a transitional ministers' training this week hosted by Camp Mennoscah and sponsored by Amigo Centre (associated with Indiana-Michigan Mennonite Conference).

**This congregation:** Give thanks for newcomers who are joining our fellowship, and pray for BCMC's Membership Orientation taking place today.

---

To request prayer or a visit, or if a family member is hospitalized, please contact the church office or a pastor so that visits and prayer support can be offered. Names of people receiving medical care are printed in the BCMC bulletin only by permission of the patient or a guardian/family-member. This is part of the caring network at BCMC, which includes support among members of Sunday school classes and small groups, as well as the Prayer Network, Visitation Team, and Caring Fund sponsored by the Deacon Commission.

**Bethel College Mennonite Church welcomes into fellowship and membership all persons who confess faith in Jesus Christ, without regard to their race, ethnic background, gender, age, sexual orientation, education, ability, and other factors which give rise to discrimination and marginalization.**
