**BCMC has a commitment to supporting New Hope Shelter** which involves sending volunteers and evening meals once every 9 weeks.

**Our next week to serve is Sept. 25 to Oct. 1.**

We are always in need of more volunteers as some who have been serving are unable to continue due to health problems or aging. Please consider helping in this important ministry. If we are to continue in this partnership with New Hope, we must have people willing to volunteer. Please contact Valetta Seymour at 620-217-7536 or [seymour2314@gmail.com](mailto:seymour2314@gmail.com) if you can consider helping.

**An orientation to the congregation and reception of new members is being planned for this fall.** If you are interested in deepening your connection to Bethel College Mennonite Church by becoming a member, please be in touch with Pastor Dawn Yoder Harms.

**Mennonite Disaster Service has an urgent need for volunteers this fall,** due to a rise in natural disasters and inclement weather delays this spring. They need the help of weekly volunteers in Texas, South Dakota, California, and more. MDS is grateful for the opportunity to serve a greater number of disaster survivors this season and hope to get more volunteers in their endeavor to help get more people back into their homes. For more information or to serve, visit [mds.mennonite.net](http://mds.mennonite.net) or call 1-800-241-8111.

**Earthdeeds.org** is a website that makes it easy--and interesting--to calculate and "onset" your carbon footprint. While carbon offsets disappear into a large anonymous fund, Earthdeeds' "onset" model allows you to fund a wide range of local sustainability projects. Three projects related to Goshen College are among the options.

The carbon calculator built into the site also provides you with carbon comparisons to other activities. For example, you flew from New York to London this year? You could have stayed home and watched 77,000 hours of TV instead. Or eaten 86,625 bananas. Either way, it's the same as the annual per-person emissions of someone living in Venezuela.
