1. O God of lov - ing, our in - ner dreams  
 2. O God of be - ing, you give us breath;  
 3. Al - might - y mak - er, you give each one  
 4. O God of know - ing, you make us wise  
 5. O God of mer - cy, you meet us where

are fed and wa - tered in mer - cy's streams.  
 you know our pur - pose and hold our death.  
 the strength to fin - ish what you've be - gun.  
 through fool - ish lov - ing and wild sur - prise.  
 your suffer - ing chil - dren are met with care.

Let your com - pas - sion be where we start,  
 Bend our in - ten - tions to seek your goal:  
 Shep - herd our gen - ius, our gifts dis - till.  
 Hone all our rea - son, our thoughts un - bind.  
 Show us the neigh - bor we nev - er knew;

bap - tize our long - ings, your faith im - part.  
 And in that seek - ing, God, make us whole.  
 Spur us to la - bor that does your will.  
 Let faith and learn - ing be in - ter - twined.  
 help us both jus - tice and grace to do -

Oh, let us love you with all our heart.  
 Oh, let us love you with all our soul.  
 Oh, let us love you with all our skill.  
 Oh, let us love you with all our mind.  
 heart and soul, strength and mind, lov - ing you.
