**Engraving fees for extra text:**

There is a \$75.00 minimum engraving charge which is for 60 characters. The engraver charges \$20.00 for backfilling the letters with black paint. Therefore, a plaque with simply the name, birth date and death date, would be \$95.00. You could include some extra text which would still cost \$95.00 if you do not go beyond the 60 characters. If you go beyond 60 characters, the cost is \$1.25 per letter.
